Freestyle

www.skinnyski.com/racing/highschool/2019/MarshallInvite2.pdf

Forecast/Conditions: Friday night mostly cloudy with a low around -5F. Saturday a chance of flurries after noon. Partly sunny, with a high near 15. Blustery, with a northeast wind 10 to 15 mph, with gusts as high as 20 mph.

Glidewax: This MSHS sanctioned in-season event is NF only. Apply Base Performance Blue Hot Wax, scrape and brush.

Gripwax: n/a

Structure: A fine structure covered by one pass with the Blue Structurite tool after scraping and brushing Base Performance Hot Wax will best suit these conditions.

Racing - Service

Check the [Wax Tips](#) page at TokoUS.com before all of your races for the latest waxing information. The Toko Race Wax Tips offer racers precise waxing advice on how to make your skis perform optimally for a given event. For racers who don't have top end waxes, skip the High Performance (Liquid Paraffin or Hot Wax) and substitute the Performance or Base Performance wax of the same color (Yellow, Red or Blue). To see optimal application procedures for both Glidewax and Gripwax, go to the [How To](#) link at TokoUS.com.
