Check the [Wax Tips](#) page at [TokoUS.com](http://TokoUS.com) before all of your races for the latest waxing information. The Toko Race Wax Tips offer racers precise waxing advice on how to make your skis perform optimally for a given event. For racers who don't have top end waxes, skip the High Performance (Liquid Paraffin or Hot Wax) and substitute the Performance or Base Performance wax of the same color (Yellow, Red or Blue). To see optimal application procedures for both Glidewax and Gripwax, go to the [How To](#) link at [TokoUS.com](http://TokoUS.com).
