MESABI EAST XC INVITE

Giants Ridge, Biwabik, MN - Saturday, Jan 11
10 A.M. 5k Classic, 1 P.M. 5k Freestyle
https://www.skinnyski.com/racing/display.asp?Id=55646

Forecast/Conditions: Overnight low of about -4F with an afternoon high of 13. Temperature for all start times will be between 4F – 12F under partly sunny skies. Expect a machined surface comprised of primarily manmade snow on the 2.5k lap course, with considerable glazing in the classic tracks.

Glidewax: For all races, apply HP Blue Hot Wax, scrape and brush, spray on HP Liquid Paraffin Blue, let stand overnight, then polish with the Polishing Brush Liquid Paraffin. If you do not have LP, apply BP Blue Hot Wax, scrape and brush, then apply HP Blue Hot Wax, scrape and brush.

Gripwax: Roughen base with 150 grit sandpaper, iron in Nordic Base Wax Green short (in klister zone), cork smooth, let cool. Then create a pyramid of multiple thick layers of Base Wax Green, corking between each layer. Stay short, not beyond klister zone. Finish with a thin cover of GripWax Blue, corking lightly.

Structure: A fine structure covered by one pass with the Blue Structurite tool after scraping and brushing the final Hot Wax will best suit these conditions.
